The above findings have been put in the CDC Meeting for further improvements.

Considering the above analysis, various Board of Studies Chairpersons/members of the affiliating university have conveyed to their respective boards that:

- 1) Employability enhancing contents be added in the curriculum
- 2) There should be more scope to internships, field projects and field visits in the curriculum
- 3) Curriculum should be moderate as per number of units
- 4) Curriculum should include life skills elements
